

Capture your special day on video

**clivejackson**  
VIDEO PRODUCTIONS

**A picture...**

a treasured moment in time

**A video...**

a living memory

***Clive Jackson  
Video Productions  
is a personal  
service giving you  
a living memory  
to cherish.***

**Clive Jackson Video Productions is an innovative company with many years of experience in the creative art of videography. Notching up over 20 years behind the camera and in the editing studio, Clive has earned a reputation of delivering a first class job!**

He will recreate your special day, with a personalised DVD designed to your specification.

Multiple cameras will be used to film intimately but unobtrusively, allowing you and your guests to enjoy the day without intruding on their enjoyment.

The packages outlined are a guide, allowing you to choose exactly what you want included in your video. You may want footage of the wedding rehearsal or perhaps getting ready at home, capturing the build up of the day, the excitement and anticipation.

No two weddings are the same and Clive prides himself on creating a DVD tailor-made for you. Producing a unique lasting memory you'll want to replay again and again.

The personal service from booking to completion – one to one meetings to discuss what you want, down to the finest detail of favourite music tracks and sequence of events, gives Clive Jackson Video Productions that something special - which in turn will give you a living memory to cherish.

## PEARL

### Ceremony only

*“Once again thanks for creating such a wonderful account of our day! The video messages were perfectly placed and combined with the music it’s always a blubfest no matter how many times we see it!”*

*Charlie and  
Charisse, Coventry*

- Arrive early to film the outside and inside of the ceremony venue
  - Guests, bridegroom, best man arriving
  - Bridesmaids and parents
  - Arrival of the bride, pre ceremony photographs
  - Inside the church/venue
  - Full coverage of the wedding ceremony including the exchanging of vows, readings, signing of the register (as permitted by the venue)
  - The couple leaving the church from the alter and walking up the aisle followed by guests
  - During the photograph session, filming continues in the grounds amongst the guests and bridal party.
  - Departure of the married couple in the wedding carriage
- **Film will consist of:**
- Opening credits of the venue and date
  - Short montage of the venue outside and in
  - Guests, Bridesmaids and Bride arriving through to the ceremony
  - Leaving the venue and photographs in the grounds
  - ‘Reflections’ – short montage of the highlights of the day put to your song
  - All put to music of your choice

# RUBY

## Ceremony & reception

### As PEARL plus:

*“Dealing with Clive was easy and straight forward. The finished result was simply outstanding and a fantastic memento of our special day. We would not hesitate in recommending Clive to anyone”*  
Rob and Carly,  
Hampshire

- Departure of the married couple in the wedding carriage
- Sometimes the carriage can be filmed in motion, but this is dependent on circumstances
- Arrival of the couple and the guests at the reception
- Coverage of any further photographs taken
- Filming of the reception and the cutting of the cake for the photographer
- The wedding breakfast, guests seating and the announced arrival of the couple is filmed
- Two cameras used to cover the speeches
- The cutting of the cake
- Coverage of the first dance including footage of evening guests arriving
- **Film will consist of PEARL plus:**
  - Arrival of guests and then the couple at the reception
  - Reception and the mock cutting the cake for the photographer
  - Speeches and cutting of the cake
  - First dance blending into the ‘Reflections’ montage
  - ‘Reflections’ – short montage of the highlights of the day put to your song
  - All put to music of your choice

## DIAMOND

Ceremony, reception and evening up until the departure of the couple

As RUBY plus:

*“Our day was captured in a professional and respectful manner. A great deal of careful thought has gone into the end product. Clive’s pride in his work captured our personalities and preserved our memory of that day forever - in a way a photograph just couldn’t!”*

*Nin-mi and James,  
Portsmouth*

- Coverage of the first dance including footage of evening guests arriving
- Filming of the party throughout the evening
- The couple leaving the party and driving off if appropriate

• **Film will consist of RUBY plus:**

- Coverage of the first dance including footage of evening guests arriving
- Filming of the party throughout the evening onto the couple leaving
- ‘Reflections’ – short montage of the highlights of the day put to your song
- All put to music of your choice

# Final production

The final production will be professionally edited and presented in a case fully personalised with pictures from your wedding artistically created to give a professional and very personal finish.

- The format of the final product is tailored to suit you
- Edited film of the days event complete with sensitively edited sequences
- A fully authored menu structure will be created on the DVD for easy navigation
- 3 Copies of the DVD complete with personalised cases – extras can be ordered on request and these are charged separately
- The Disc itself will be printed with photographs of the day and details of the wedding (Couples names, Venue and date)
- Full digital equipment used in filming and editing
- Copyright licenses are obtained by us to cover the filming and the final production as required by law
- Full UK/Europe coverage offered and NTSC for America on request

## Optional extras

- **How we met interview** - A personalised interview with the couple prior to the wedding day. This will precede the wedding video to begin the story of how you first met. An opportunity for you both to recall your fondest memories of your relationship together
- **House visit** - Filming of the Bride and Bridesmaids getting ready  
- Filming of the Bridegroom and Best Man getting ready
- **Picture montage** - Photographs of the couple can also be added as a pre-montage to the film using photographs from childhood through to the wedding. This can add a special touch showing how the couple grew up and came to be together. This is an additional attraction for your guests at the reception when projected onto a screen and set to music
- **Video Messages** - Opportunity for guests to give you their message to camera
- **Marryoke** - An opportunity for the couple and the bridal party to perform to their favourite track
- **Extra copies** - Extra copies of the final production can be provided
- **The following day** - Filming of the married couple departing the hotel can also be covered
- **Any additional filming required - please ask**

Please see separate price list for the latest prices and special offers
